Guest Speaker

Orlando Cabrera (Executive Director of Florida Housing Finance Corporation)

The mission of the Florida Housing Finance Corporation (Florida Housing) is to help our fellow Floridians obtain safe, decent housing that might otherwise be unavailable to them. Florida Housing's Board of Directors and staff are continuing to work to increase affordable housing opportunities for Floridians, ensure that Florida Housing's programs are well-matched to the housing needs of Floridians, and communicate the importance of affordable housing to Florida's communities.

The Florida Housing Finance Corporation has been one of the strongest advocates and funders of affordable housing within the State. Orlando Cabrera will be addressing the Roundtable about existing programs, new programs and funding, and anticipated changes in the affordable housing arena within the State.
