THE NONPROFIT HOUSING ROUNDTABLE OF CENTRAL FLORIDA -- ACTION PLAN

- Goal 1. To educate the entire community on the role of the nonprofit sector as an important partner in the housing delivery process.
- a. Communicate housing and nonprofit needs to local area government
 - b. Develop quantifiable goals for the Roundtable to allow for evaluation of this organization's effectiveness.
 - c. Invite guest speakers to speak monthly. Pick out topic relevant to nonprofit housing providers (i.e. management, development, underwriting) and have speaker make 30 minute presentation.
- Goal 2. To pool skills and resources of nonprofit housing producers and housing support agencies
- a. To use the nonprofit Roundtable to gain organizational and functional strength to achieve our mission by convening regular meetings to share information, and to plan and coordinate activities of the participating nonprofits
 - b. To evaluate and prepare an annual plan that quantifies projects and funding needs of the participating nonprofits and prepare joint funding support request to the various funding entities
 - c. To promote and support emerging nonprofit housing organizations.
- Goal 3. To pursue various partnership opportunities and linkages with for-profit developers and builders.
- a. Strengthen relationships between nonprofits and private sector
 - b. To become active participants in the Homebuilder's association to cultivate support of for-profit developers and builders and to seek out opportunities for joint-ventures, other business relationships and mentoring.
- Goal 4. To pursue activities that would increase the availability of low cost funds to nonprofits.
- a. Subscribe to legislative, funding resource. Monitor and report on upcoming funding programs.
 - b. Develop calendar of funding source with contact, deadline and summary information.
- Goal 5. To pursue activities that would encourage governments to provide grants and loans to nonprofits for technical assistance and housing production.
